4. Any student, who was unable to maintain academic eligibility in an accredited school, shall be ineligible to participate as an alternative instruction student for a period of one year. After one year, the student may regain eligibility per local school administrative policy.
5. Satisfying the responsibilities and standards of behavior and performance, including related class or practice requirements, as expected of other student participants as a condition for both the initial acceptance and continued membership in the activity including but not limited to:

(This is the same rule that applies to students attending a member school.)
  - o A student who is a member of a high school team may not participate in games, practice, tryouts, etc. in that particular sport during the same season on an independent or non-high school team or as a member of any "all- star" team, or completely unattached on an individual basis.   - o All references to calendar shall refer to the calendar of the member school where the alternative instruction student is participating.
6. Alternative School Student's Local District: The local district of an alternatively educated student (i.e. home schooled) shall be the district in which the parent or guardian filed the Certificate of Excuse SDCL 13-27-7 This certificate, once filed in the district of residence SDCL 13-28-9, shall establish their district of residency for athletic eligibility pursuant to the local school district policy.

7. The student may transfer their eligibility one time to another member school. If this occurs at the beginning of the school year, the student would become eligible immediately. If the transfer occurs after the first day of school, the student would become eligible following 45 school days. NOTE: This would be consistent with the current by-law applicable to open enrollment students.
8. A student who leaves an accredited school during the course of the school year for any reason to enter an alternative instruction program, shall be ineligible for interscholastic competition for a period of one year, beginning on the date the student enters the alternative instruction program.
