

Smart Snack Options

The Lennox School District gives students in grades 7-12 the option of buying ala cart items that are within the USDA smart snack guidelines.

Free/reduced apps cover the reimbursable meal but do not cover ala cart items. It is the household's responsibility to pay for ala cart. Students cannot buy ala cart if they have a negative balance. Parents can see what their student is charging by logging onto Campus. Contact Dawn.Timmerman@k12.sd.us if you need assistance to log onto Campus.

Here is a list of some smart snack items.

\$.50 Items: Fresh baked cookie, Cheez-it crackers, Welsh's fruit snacks, Donut Stick, Donut Hole, Fruit or Veggie.

\$1.00 Items: Plain Water, 100% Juice, Baked Lay's Potato Chips, Doritos, Rice Krispy Bar, Muffin, Ice Cream Bar, Sherbet cup, Smucker Sandwich.
